FFA Meeting

The Tri-Valley FFA chapter hosted its monthly meeting on January 23rd in the VoAg building. Students participated in a variety of games, completed a business meeting, and discussed the future of the chapter. Committee Reports were given by Caden Wasson, Allison Scurlock, and Aaron McConnell. Additional photos can be found on the Tri-Valley FFA Website.

District Evaluations

Members of our chapter have submitted their proficiency, state degree, american degree, and officer book applications to the FFA District 8 committee for review. The committee evaluated students' work towards these various awards and approved them to move onto state evaluations. Our chapter currently has 8 State Degrees, 1 American Degree, 8 Proficiency Awards, and 3 Officer Book applications up for consideration. Congratulations to our members who have made it through this first round of judging and good luck at the state level.

FFA Apparel

Members can purchase FFA apparel from pro-stitch prints in Dresden. Items offered can be found on their website

<https://prostitchprints.square.site/tv-ffa>

Hat Day

On January 31st our chapter coordinated a Hat Day with high school administration. Participants donated a dollar and in return were allowed to wear a hat in the school building for the day. The chapter will match each dollar raised by these efforts. All proceeds raised were donated to Christs Table to buy food and other supplies for those in need.
