

TV FFA Summer Newsletter

What a busy summer the Tri-Valley FFA has had! From Camp to fair, FFA members have been busy in a variety of pursuits across the State of Ohio!

Our chapter had 4 members attend FFA Camp this June and was a very fun filled week for all. Members participated in a variety of events including team challenge activities, campfire, boating, riflery, field games, hiking, high ropes, and more!

We held a pedal pull at the Adamsville Homecoming in July as well as participated in the parade held by the village of Adamsville. The chapter once again hosted a petting zoo at the Dresden Melon Festival at the beginning of August with animals consisting of rabbits, goats, and a calf brought by FFA members.

The FFA chapter as a whole had a tremendous turnout at the Muskingum County Fair. A couple notable shoutouts we'd like to give would be to:

- | | |
|-----------------|----------------------------------|
| Garrett Luallen | - Supreme Champion Beef Heifer |
| Dyllon Ault | - Showman of Showmen Participant |
| Aaron McConnell | - Champion Market Goose |
| William Dearing | - Supreme Overall Ram |
| Caiden Hogue | - Fair King |

We also held our annual pedal pull at the Muskingum County Fair and assisted in the Muskingum County Cattlemen's stand.
