

TV FFA October 2024 Newsletter

The first competition of October was State Soils. The Tri-Valley Soils team took 30th out of 50 teams. Our top scorer was Junior William Dearing followed by Senior Gillian Hockenberry and Senior Aaron McConnell.

20 of our FFA members ventured to the 97th National FFA Convention in Indianapolis. They attended many educational sessions, and developed different leadership qualities. Congratulations to Logan Mozena, Mason Prouty, Nick Mealey, and Leah Schuhart as they were this year's recipients of American degrees.

The October Chapter Meeting was hosted by McDonalds Greenhouse this year. The Chapter discussed various topics of interest and formed three New Committees. The Chapter is excited to announce our 4 new committee chairs.

- Caden Wasson: Recruitment and Retention Committee
- Aaron McConnell: History and Records Committee
- Gerran Matthews: Community Service Committee
- Allison Scurlock: Community Service Committee

The chapter put on a Pedal Tractor Pull at the Education of Yesterday. With a great turn out and several awards being given out, the pedal pull was considered a success.

TV FFA October 2024 Newsletter

Bennett Brocklehurst, William Dearing, Dyllon Ault, Aaron McConnell, Aiden Swartz, and Brayden Klein (pictured left to right) participated in the Sub District Job Interview Contest. They were tasked with writing a resume, completing a sit down interview, and drafting a follow up letter. Aiden Swartz, Brayden Klein, and Aaron McConnell will advance to the District Job Interview competition.

Got Milk?! The Natural Resources and Greenhouse classes are using creative ways to plant native species with reused plastic. If you have gallon plastic jugs that you would like to see repurposed, consider rinsing them out and sending them to the VoAg shop. All containers will find new life as upcycled nursery pots. Thank you for your assistance!
